GLOBAL REACH

GENESE
GLOBAL
GROUP
INC.

From global sourcing of materials, parts and components to delivery anywhere on the planet, our world revolves around yours.

Genesee Global Group's reach spans the globe for procurement and delivery to:

- Add value for our customers with global purchasing from the most economical source.
- Actively manage global supply-chain inventories for best value at any given time.
- Minimize supply shortages with multiple sourcing.
- Deliver final assemblies anywhere in the world based on procurement system integration.

PROCUREMENT from anywhere in the world that provides the best combination of quality, price and availability.

DELIVERY to anywhere in the world in whatever quantities are needed precisely when you need them.
